U/19's

After consultation with most of the private schools the variance in exam timetables will make it impossible to accommodate every player where for Cricket Namibia confirm that the U/19 week will take place on the above dates which suites the majority of the players. All regions select their best available team for the u/19 week and submit an additional list of players that is not available due to exams but must be considered for U/19 World Cup selection.

Cricket Namibia is looking forward to an exceptional fun filled week.

Together we will make a difference in growing the game of cricket!
