

CRICKET NAMIBIA NATIONAL WEEK 2020

Cricket Namibia National Week:

Cricket Namibia's aim is to give every child the opportunity to play cricket and it is our vision to implement a structure that allows equal opportunity, is fair to all players and transparent to all stakeholders. Considering the vast distances, amount, and quality of exposure of our school players; our trial structures should also aim to create more opportunities to participate in competitive games while not neglecting any player irrespective of geography and therefore the National Week was established. We also clearly identified the need for a National competition to increase strengths versus strength playing opportunities for the top players as well as longer format games.

The U/11, U/16 & U/19 boys' teams will participate in Windhoek against each other. The ***U/13 boys will be in Walvis Bay.***
