

Cricket Namibia Grounds man – National Nets & Pitches

An exciting career opportunity for the position of **Grounds man – National nets & pitches** in the Namibia staff structure.

The successful candidate will play a key role in the building and maintaining of all cricket pitches under Cricket Namibia's jurisdiction and be in full control of the National training facility.

KEY REQUIREMENTS

The successful candidate must:

- Experience in building and maintaining turf cricket pitches.
- Experience in providing winter treatment and maintenance to turf pitches.
- Understand how to prepare turf pitches for training.
- Able to repair cricket netting.
- Must be able to function individually with no supervision.

KEY RESPONSIBILITIES

- Watering, cutting and rolling of National training facility.
- Repairing of netting and net structure.
- Cleaning and marking of synthetic nets.
- Cutting, watering and preparing run-ups
- Building of new turf pitches when and where required.
- Winter treatment of all turf pitches under Cricket Namibia jurisdiction.
- Must have a valid driver's license

The position will report directly to the National coach and the Cricket Namibia Operations manager.

Interested applicants can forward their applications to the following email address:
operations@cricketnamibia.com

Please include the following documents in your application:

- A resume with specific indication of skill set, including references from two previous employers.
- A copy of an Identity Document and driver's license

All applications will be treated in strict confidence. Only short-listed candidates will undergo interviews.

Closing date for application is Friday the 23 April 2021
